

BULLITT COUNTY CODE ENFORCEMENT
FIVE DAY LETTER
Agreement for Emergency Services

(Address)

The undersigned HOMEOWNER hereby requests a temporary connection of an existing electrical service supplying the structure located at above address.

This service was damaged or disconnected due to _____
Repairs have been completed and/or the service has been inspected by the undersigned electrical contractor and is deemed safe to reconnect.

Louisville Gas & Electric / Salt River Electric / Kentucky Utilities may accept this agreement as a temporary measure to provide electric service in cases of emergency.

This agreement is valid for a period of five (5) working days, within such time an application must be obtained and the inspection authority above must inspect and approve the repairs.

If the inspection authority does not place an inspection sticker of approval on the service entrance equipment and notify Louisville Gas & Electric / Salt River Electric / Kentucky Utilities through normal channels by the expiration date, it is agreed and understood the electrical service described herein may be disconnected without notice.

Furthermore, in implementing this agreement, the undersigned assume all liability and responsibility to the full extent of the law for damage to life and property. This form must bear the signature of the Electrical Contractor and remain on job site.
