

SPECIAL ATTENTION: The mandatory compliance date for the 2013 Kentucky Building Code is January 1, 2014. Permits for projects written on and after January 1, 2014 must comply with the 2013 KBC or 2013 KRC.

2010 ADA guidelines are mandatory March 2012. Please note: this department does not enforce the federal ADA guidelines. The Department of Justice is responsible for enforcing these guidelines; however, all structures that fall into the scope of the 2010 ADA guidelines must comply with the federal ADA guidelines. You may contact the Department of Justice for any questions regarding the 2010 ADA guidelines at 800-514-0301.
